

The Arnewood School Parents and Friends Association

Happy New Year to you all, and welcome to news of our successful Christmas Market and information about our upcoming events.

Our Christmas Market was a huge success; it is becoming a regular event on the calendars of many local people who enjoy the festive atmosphere and the opportunity to buy some lovely gifts from a wide range of craft stalls. The refreshments were welcomed by everyone and helped to take the total profit for the evening to over £740.00, a huge help towards our outdoor recreation and play area; this year's fund raising project. A big thank-you to everyone who came along and helped to make it such an enjoyable evening, and thank-you to the Town Council for their support.

Onto this year, and we have another of our very popular Quiz Nights fast approaching. It is being held on Wednesday 10th February with a 6.30 for 6.45 start. The mid-evening supper will be Fish & Chips, again freshly cooked by Paul Freeman, our school chef. Maximum teams of 8 should be entered and tickets (£5 for adults £3 for children) can be bought from the school reception. Drinks and snacks for the evening should be brought along by the teams and a fun evening is guaranteed for everyone.

One other event which is already on our calendar is 'A Taste Of Summer'. This craft and food festival is to be held on Thursday 13th May, and will be a celebration of local and international food and food related crafts. More information about this, and further events, in our next newsletter.

We are having a very successful year so far and hopefully it will continue. The outdoor recreation and play area project is being worked on hard by the children and it is lovely to be able to support them.
